Fig. 1

Fig 2

Fig 5 and Fig 6 are schematic diagrams of a multi-panel structure. Fig 5 shows a central panel 18 flanked by panels 14 and 12. Panel 14 has a top edge 42 and a bottom edge 44. Panel 12 has a top edge 38 and a bottom edge 40. The central panel 18 has a top edge 36 and a bottom edge 24. The structure is shown in a perspective view with a curved top and bottom. Fig 6 shows the same structure from a different perspective, with a curved top and bottom. The central panel 18 is labeled with 18, 20, and 32. The left panel 14 is labeled with 14 and 34. The right panel 12 is labeled with 12 and 30. The top edge of the right panel is labeled 38, and the bottom edge is labeled 40. The top edge of the left panel is labeled 42, and the bottom edge is labeled 44. The central panel 18 is labeled with 18, 20, and 32. The structure is shown in a perspective view with a curved top and bottom.
